

Impacting Corporate Leadership

LS Associates' mission is to provide experienced, interim and fractional C-level leaders who can immediately partner with executive teams, board members, and investors to solve complex business problems.

Our team of seasoned, on-demand executives have experience guiding private and public companies through every stage. We are executors who are confident in our ability to take calculated risks, adeptly steer businesses, and help leaders make tough decisions with certainty.

Why LS Associates?

We have exceptional talent

We have a bench of over 150 Associates including 35+ MBAs, 30+ MDs & PhDs, 25+ CPAs, and 15+ JDs, with a range of 10 to 35+ years of experience.

We are embedded in the industry

Our Associates have well-established networks and can facilitate impactful introductions to industry experts including investors, auditors, vendors, manufacturing & clinical trial sites, and government health agencies.

We are capital-efficient

Our Associates only bill for the time incurred and are available as business objectives and budgets permit. In utilizing our talent, clients avoid the expense of searching for and hiring full time employees.

We leverage the LifeSci Partners Platform

Our clients have unique access to the LifeSci Partners Platform of business solutions including its boutique investment bank, investor & public relations support, venture capital firm, specialty consulting services, and special events team.
